Application Serial No. 09/748,908 Amendment dated November 10, 2003 Reply to Office Action dated July 16, 2003

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims:

Claim 5 (currently amended) A process for the production of bent glass and pre-stressed glass, comprising the following steps:

providing a crude glass plate;

obtaining a cut glass plate of a desired dimension by performing only a laser cutting through a portion of the thickness of the <u>crude</u> glass plate with a laser along a cut line; with ensuing breaking of the <u>crude</u> glass plate along the cut line to provide a glass plate of a desired dimension; and

subjecting the <u>cut</u> glass plate of the desired dimension to one of a bending and a pre-stressing operation.

Claim 6 (previously presented):

A bent glass plate, produced by the process of

Claim 5.

Claim 7 (previously presented):

A pre-stressed glass plate, produced by the

process of Claim 5.
